Start/Finish:

Will be on private land situated in postcode: **SA13 2SS**. The open Sprint Enduro Format event will start at 9:00am on Saturday 19th March.

- Saturday (8-12 Youth) – 9:00am
- Saturday (Youth 13-16, Over 40, Ladies and Sportsman) – 11:00am
- Sunday (Clubman, Expert and Championship) – 9:00am

Format:

Each rider will get set off one by one after the group sighting lap (groups as above), the sighting lap will be at the group event start time prompt. Each rider will get timed against the clock and on finishing the lap return to the parking area. The siren will go off when the next set of timed laps area ready to be started. The first lap riders will start in number order, from the second lap on the riders will be seeded and start in order of the quickest time from the previous lap. A marshal will call out the numbers of the riders to start their timed laps. Only enter and exit the timing area as directed by the tape and marshals or risk messing your times up through improper transponder detections.

Course Markings:

- Orange Arrows and Paint

White tape and blue tape are used to mark the course. Tied dangling tape may be used in addition to arrows to mark the route and a single arrow rule will apply to this marking method.

- Single Arrows/White tied tape – Must stay within 15ft/3 bike widths either side of the arrow.
- Gated Arrows (2 arrows parallel) – Riders must pass between the two arrows.
- Crossed Arrows – Danger/Caution slow down
- Coloured Paint – Shows direction and/or highlights hazards
- White Tape Routes – always stay within the tapes
- Blue Tape Routes – Pits and Scoring areas walking pace only stay within the tapes.

Course:

The course has been measured at around 3 miles, with an expert rider completing the lap in 7 minutes and all refuelling will be at the parking area. The course will consist of Hills, Grass Fields, Marsh Fields, Rocks, Banks, Streams, and Jumps.

Numbers, Backgrounds and Timing:

Numbers and backgrounds are supplied during signing on:

- Transponders are integral to the number/background. You are solely responsible for the mounting of the transponder and background. Do not cut the number background. You are only given one number/background and you must mount it on the front number board on the motorcycle.
- Transponder timing will pick up your lap time during your pass through the timing section of the course. This area is **walking pace only**.

Machine Examination/Sign On:

- Signing on and machine examination will be from **07:30 – 08:30 Saturday and Sunday**
- Signing on either day will only be for events on that day.

Noise:

Random noise tests may take place during the event. Failure to stop for a noise test will result in immediate exclusion.
